Deep Impact 1/18 Scale Impactor Model

Launch Vehicle (LV) Adapter Ring

Score and fold all the glue tabs and panels like this one.

Fold pointed tabs in toward middle of ring.

Impacto Enclosure

S-Band Antenna

Score & fold

Trim glued circles to this edge.

Glue the larger diameter side of the LV Adapter Ring here

Impacto Deck

When gluing, align letters on the deck with those on the impactor bottom.

Leave some white space around the impactor deck as you cut it out (see instructions).
